

LETTER OF ACKNOWLEDGEMENT

Respected Cezary Furmann :

The year 2021 marks the 30th anniversary of the founding of Hengtong Group. On December 11, Hengtong successfully held the “Conference of Furthering Cooperation and Development at the 30th Anniversary of the Founding of Hengtong Group”. Your kind congratulatory messages greatly graced the celebration.

Over time, generations of Hengtongers, with the help of you and others, have taken on the mission of creating value and contributing to the society and built the Group into a global hi-tech company as it is today.

A retrospect of our three-decade path convinces us that Hengtong’s achievements would not be possible without your support. In prospect for the future, we wish to work more closely with you and bring our cooperation, in a mutually reinforcing manner, to a new height!

Please accept our appreciation once again, as well as our season’s greetings upon the occasion of the upcoming new year!

Wish you and your family health, happiness and success!
